Healthy Lives Promotional Program

Steele Memorial Medical Center is committed to providing the highest quality of healthcare services to the residents of Lemhi and surrounding Counties. While we are always there for routine and emergency care, we also take an active role in preventing disease and injuries thru our various Screening Programs, Sports Medicine and Occupational Health Programs. As an additional incentive to our area residents to take an active role in maintaining their own healthy lives, Steele Memorial Medical Center is launching a new promotional program offering a variety of Free Monthly Health Screenings to one lucky person.

Explore our website and locate the “**Healthy Lives Promotion**” icon,

click on the icon and enter our monthly giveaway. Drawings for a winner will be made on the first of each month and the winner will be notified by mail. Each month a different Screening evaluation will be offered. Upcoming offerings include one free: Body Fat Testing, Mammogram, Lipid Panel Screening, Cardiac Calcium Scoring, or Dexa Scan.

Click www.steelemh.org to go back and find pages filled with valuable information for our community and employees , including health articles, hospital news, a Pre-Registration Application to make admission quick and painless, Pre-Op information to assist you in preparing for your surgery , a wonderful web nursery, and our pricing and accounting information. We encourage you to check back often as we are making changes every day to bring you more information in the privacy and convenience of your own home.
